RAVI J MATTHAI LIBRARY

Subject-wise Periodicals & Online Resources 2024-25

IRMA has an excellent library housed within a spacious three-storeyed building, which supports the institute's teaching and research programmes. It subscribes to 106 individual journals and provides access to 07 comprehensive full-text databases of journals, namely EBSCO (a package of three different subject areas), ABI/Inform (Proquest), Elsevier (Business Management and Accounting Package), Sage (Management and Organization Studies Package) and JSTOR. These together provide full-text articles of over 18000+ journals in subject areas such as management, finance, marketing, organisational science and strategy, information technology, e-governance, sociology, environment, and gender. IRMA students also have access to online databases like Euromonitor International Passport, SCOPUS, CMIE, Indiastat.com, EPW Research Foundation and DELENT. CMIE databases and Indiastat.com provides financial and socio-economic information, and SCOPUS provides superior support of the literature research process to IRMA faculty and students.
